STEPS TO MEMORIES

Step by step we approach our destiny. We grasp at the precious moments which are here today and so soon gone tomorrow. With each step there holds a special memory in which we can treasure and keep in our hearts forever.

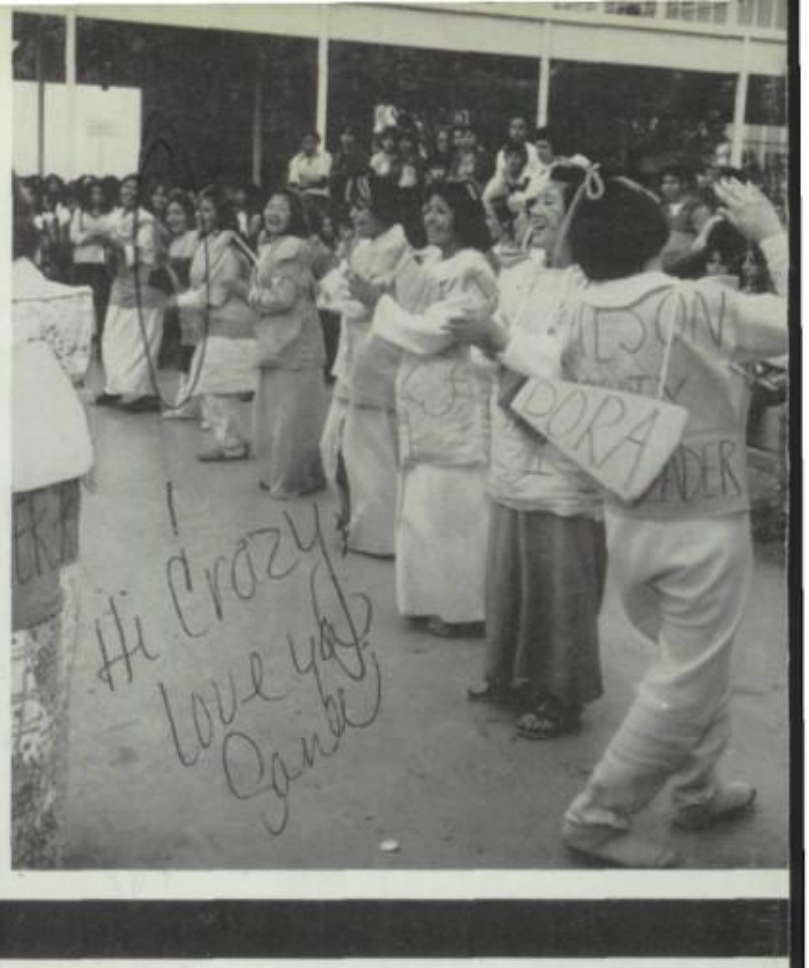
The Wilson life is a three year period. For few of the students, the three years last eternally, but for the majority the life here passes much too quickly.

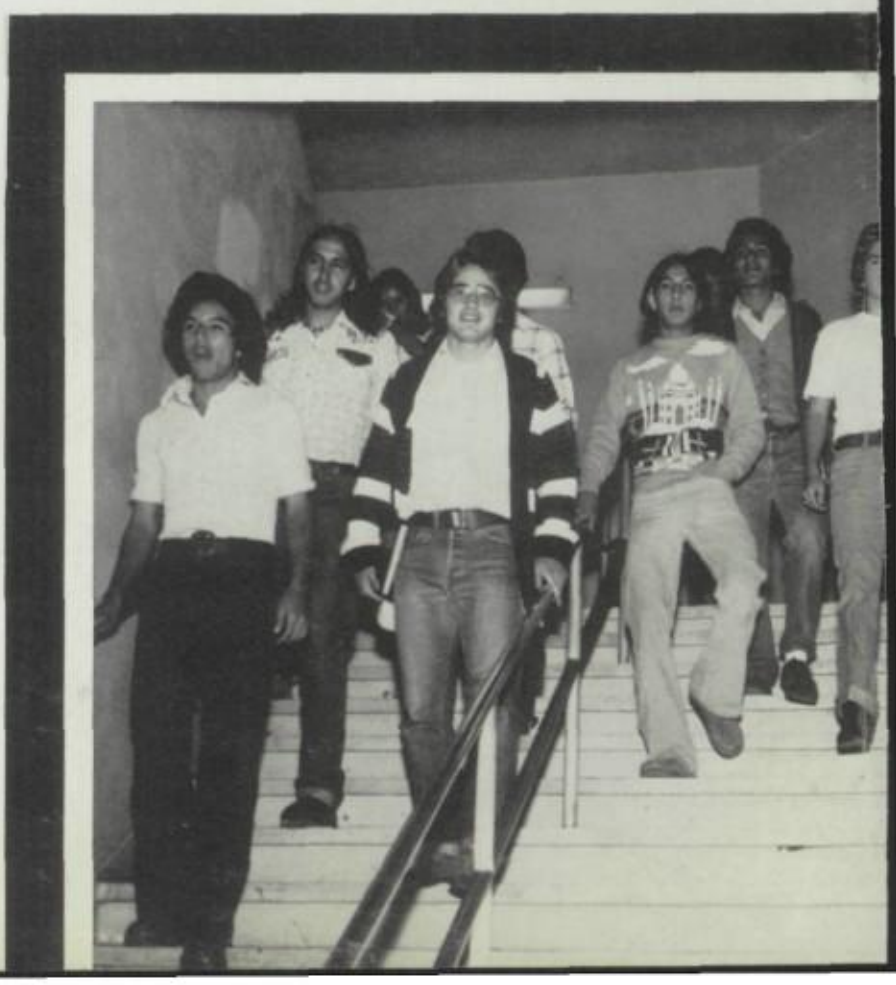
To them, it seems as if only months ago they arrived at Wilson as Sophomores. They knew nothing of the school or its system. Actively they asked questions about special classes, clubs, and organizations.

They strived to make each day worthwhile because they knew that Seniorship and graduation would come too soon And indeed it does!

These encouraging Seniors look back at their 10th and 11th grade years with satisfaction. They are pleased knowing they gave their full effort in making their teenage life a pleasant and enjoyable one.

We feel thankful to those energetic students for helping to make this yearbook a success. Each step to an accomplishment is a step to memories.





CAMPUS LIFE

HALLOWEEN

It was a special day. The mood was a festive one. There were shouts of surprise, rolling laughter and gasps of terror. Wilson's "Halloween Day" was a resounding success. The costumes were a mixture of clowns, werewolves, animals, angels, and gays, and the creativity involved in making the costumes were outstanding. The campus enjoyed a "Mardie Gras" atmosphere throughout the day. It will be difficult to duplicate this day, in which our normal everyday people became monsters of horror.

HEY.... FUTURIANS HEY!

Color Day was an exciting and memorable day for all the seniors who attended. At this time "the mighty class of 78's" colors of teal blue and white were revealed. The Futurians showed their spirit at a pep rally and later attended the picnic, where they ate fried chicken. Sack races, bubble gum blowing, tug-a-war, egg tossing and pyramid building highlighted this event. Later the Futurians "rock'n rolled" to the music of Tabu.

Graduation Day

there's a time for joy
a time for tears
a time we'll treasure through the years

we'll remember always Graduation Day
at the Senior Prom, we danced till three
and there you gave your heart to me
we'll remember always Graduation Day

though we leave in sorrow
all the joys we've known
we can face tomorrow
knowing we'll never walk alone
in the aisles we waltz, apart we run
no matter where our paths may wander
we'll remember always Graduation Day
we'll remember always Graduation Day. . .

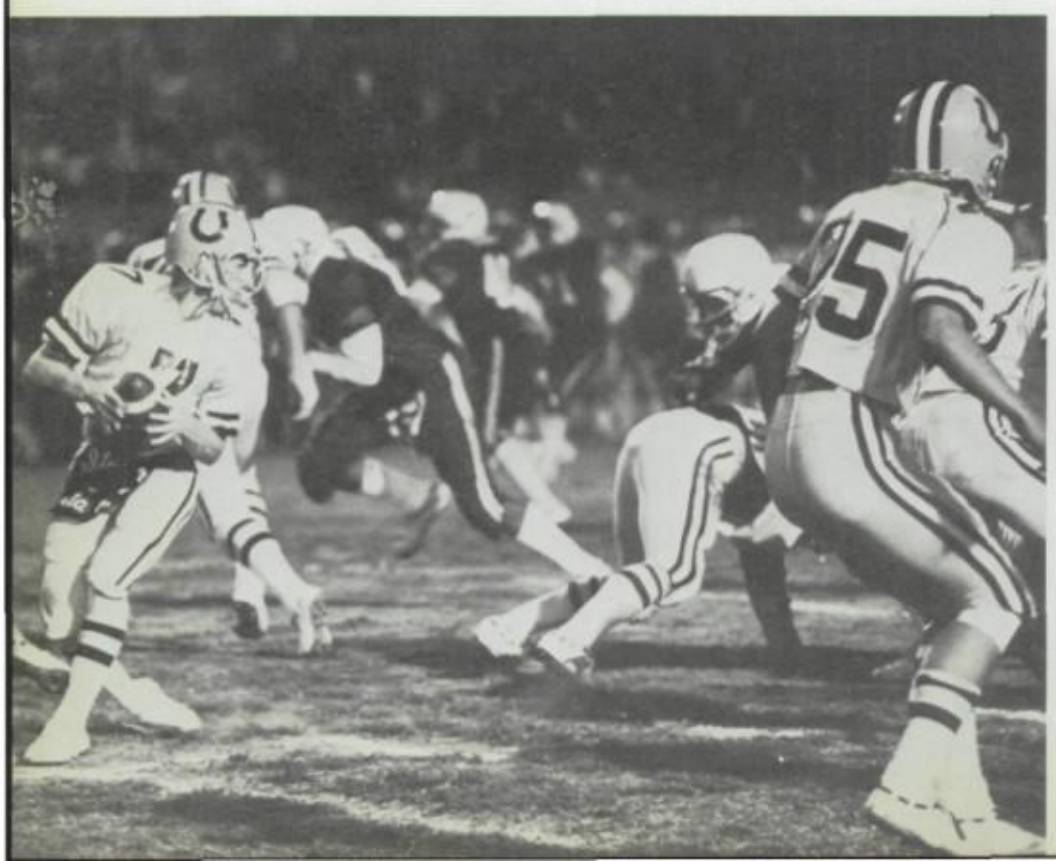
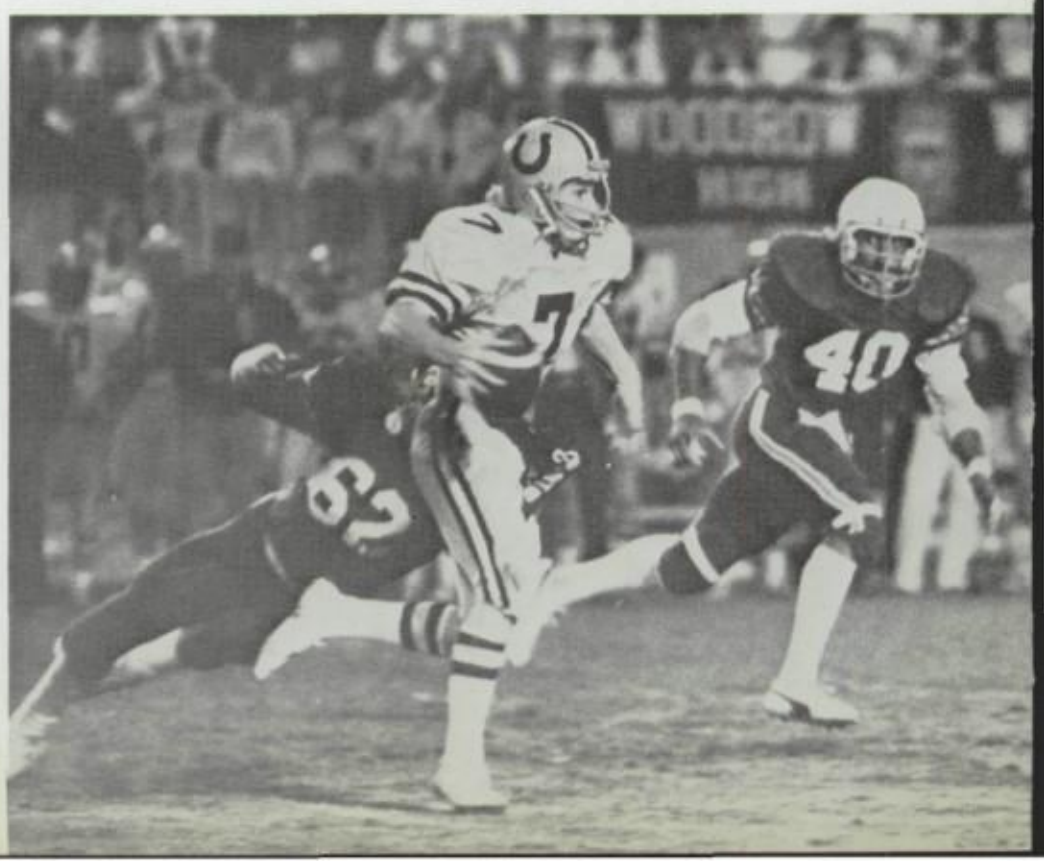
With Ron Cuccia's appearance on campus, we doubled the Cuccia Clan and Tripled our way into 3A City Championships. Ron's leadership coupled with an outstanding offense and a devestating defense made a dream come ture. We won 39 in a row and earned three 3A City Championships. Records were made to be broken and Ron came along to shatter them. Here's a synopsis of a nationally recognized quarterback.





3A CITY CHAMPIONS - 1977

Mr. Cuccia, head coach, led our incredulous mules to a third year of championship. With the aid of Coach Lambert, Coach Katase, and Coach Kuniyuki, our rugged team strove to surpass a dream never come ture. Practicing daily and diligently, they learned the value of unity and getting down their different assignments to perform flawlessly in their important games. In appreciation for the excitement and thrills that the team has afforded us, and putting Wilson High in the eyes of the sports nation, we thank you for these last three memorable years.

Our MULES are small, could they do it again, was the big question everyone was asking. Well our MIGHTY HOOFPRINTS proved themselves again. HOW?, by taking the Northern League title and 3A City Champs for the third consecutive year. That's a total of 39 consecutive games, in which our MIGHTY MULES have not been defeated. They may not have had the advantage of size, but their determination and will to win overcame all of that. The Mules proved that if you want something bad enough you're willing to work hard and strive for your goals. That's just what they did. Our MULES walked away from each game a little prouder and with a touch of pride. And with that, we the MULES can honestly say that, "WE ARE THE CHAMPIONS, MY FRIENDS!"

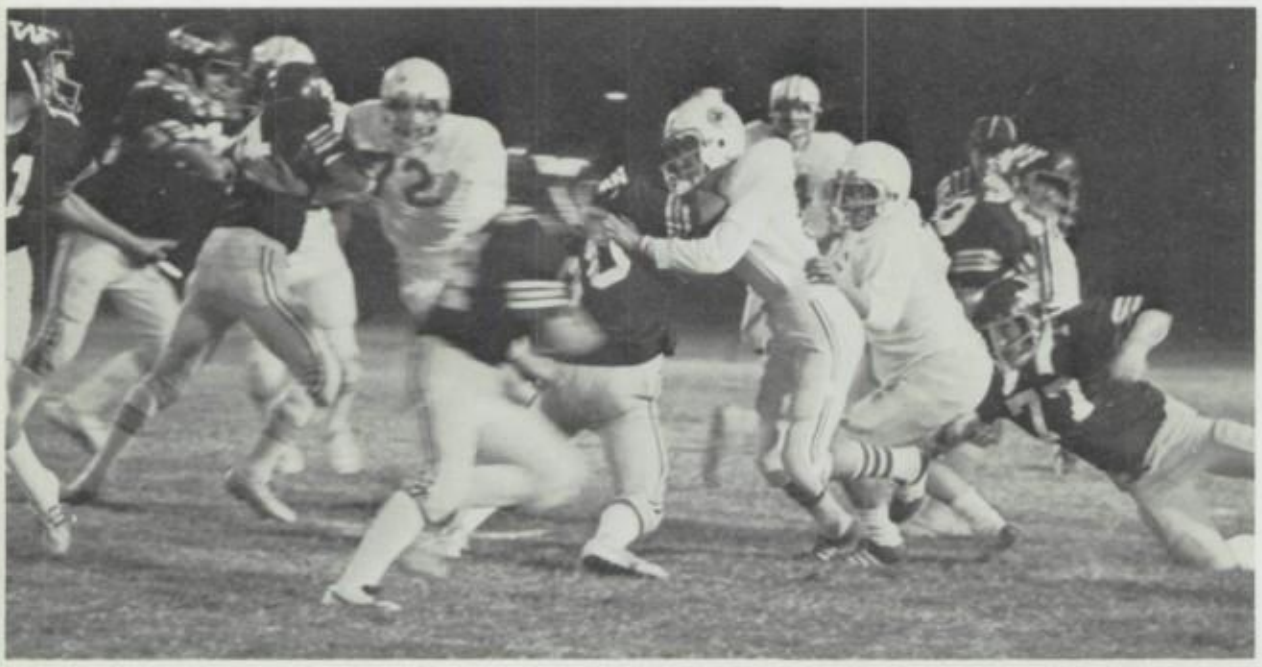
THE BATTERING BEES

This year our Battering Bee's gave us one more reason for Wilson pride and honor. These magnificent Mini-Mules, with power and stamina, took the Northern League by storm. Struggling great odds in each game, they ultimately tied for Northern League Champions.



Pictured at Left; BEE CHEERLEADERS: Edna Tovalin, Bargara Bonilla, Pat German, Valerie Brockman, Laura Garcia, Rosemary Rodriguez.

ROCK'N SOCK EM BEES

The hitting, running, and passing belied their size. The Bee's battered their way to a northern league championship and fought for equal glory with the Varsity Team. Coaches Lopez, and Kuniyuki, put together a skilled, tough team. A. Perales at quarterback improved with every game and the offense moved readily with his leadership. The defensive team kept our opponents on their heels making our offensive group that much more aggressive. It was an exciting and rewarding year.

SOCCER

This soccer season was not as successful as Coach Eshom anticipated. Despite the fact that Wilson is fairly new at the game, players showed marked progress in their positions. With a few breaks here and there, the overall outcome in the win and loss column would have been quite different. Mr. Eshom has high hopes of building Wilson's soccer team into a winning club next season.

Under the coaching of rookie Mike Beltran, our J. V. Hoopsters had a frustrating but challenging season. Filled with determination our mules dribbled, shot, and scored. SHINING STAR

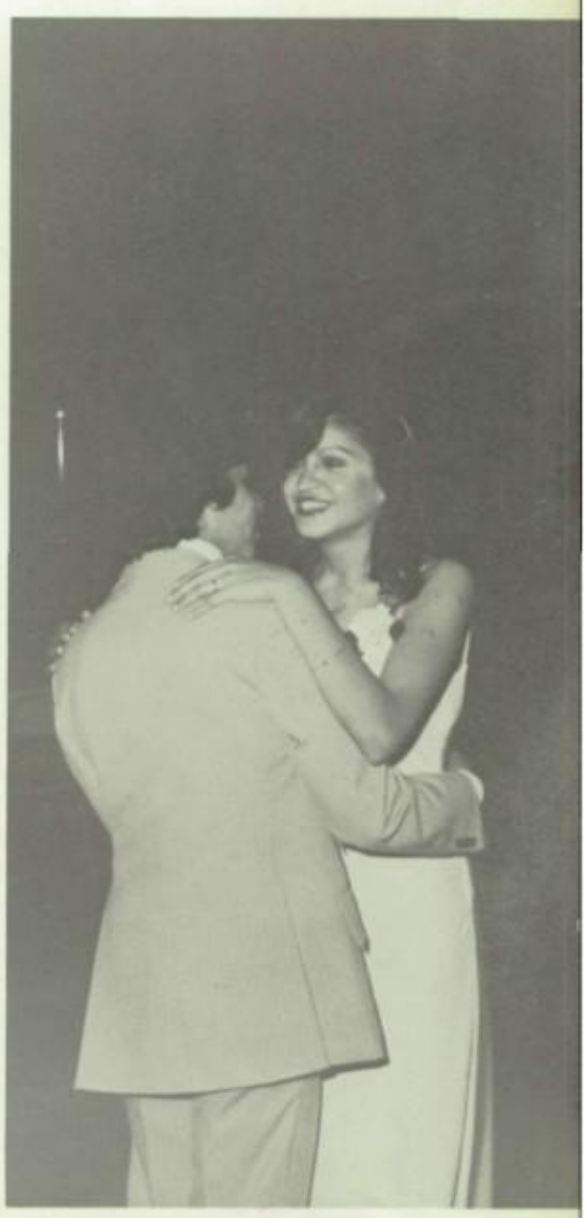
A fascination, here at Wilson, is the annual Sno-Ball. This special occasion, captivated by many Wilson students, will be remembered by many precious moments.

This year's Sno-Ball, held on December 17th, was entitled "Shining Star". Though it was a cool and rainy night, stimulation of thrill and excitement arouse for those who attended this glamourous affair.

As Tabu played to everyone's delight, the climax of the evening arrived when the Sno-Ball Princesses were introduced. Among these beautiful Princesses, Lulu Borges was chosen as our Star Queen of Sno-Ball '77!



SADIE HAWKINS

This year the St. Patrick's, Spring, and Easter dance were thrown all together into one funfilled Sadie Hawkin's Disco Dance. Kissing boothes, picture taking, and wheel-barrel rides were some of the events set up around the dance floor. Couples were dressed in country style clothes and danced on a straw covered floor. The big event of this crazy night was the crowning of our new Spring King, Brent Kessler.

"DOING YOUR OWN THING"

"Doing Your Own Thing" was this year's theme to our well organized Talent Show. Along with hard work, time, and effort, everyone had fun doing their own thing. Each act entered was refined with a lot of talent and enthusiasm. This year's Talent Show will be extremely difficult to surpass, unless the will of participation is obtained in the future.

Mr. and Miss Wilson, what is this fantastic honor? Well. . this royal court is selected on scholastic achievement, school and community involvement. ANNUAL STAFF

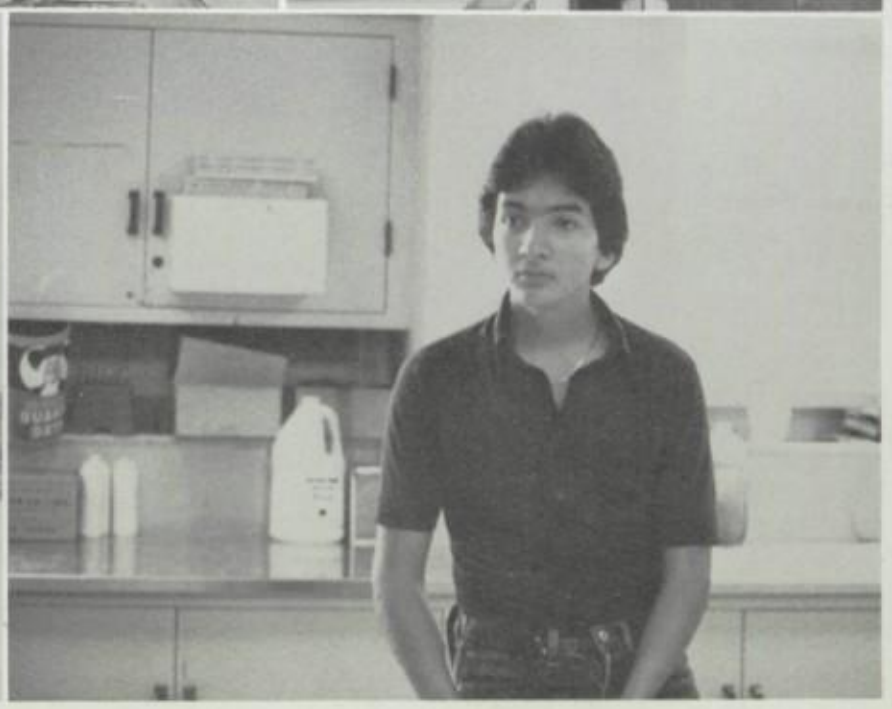
Another year of fun, homework and excitement has passed. To capture the many exciting and memorable events, which shaped our lives this school year, is a very difficult task to accomplish. However we, the Annual Staff, have done our best to bring these memories together in the yearbook. We had early deadlines to meet and indeed they were early. The dates caught us unprepared with club pictures missing or names misspelled. All of this meant staying after school writing, typing, drawing, and printing. And during these hours of slavery our advisor, Mr. John Danyo could be heard screaming and yelling at us to work harder and faster. But we appreciate that because if it wasn't for Mr. Danyo, this annual may not have reached you on time.



We hope you have enjoyed these special moments we have captivated for you in the '78 Hoofprints Annual and wish that they in turn will help you reach many more Steps to Memories
